

Water Division

IMMEDIATE OFFICE (Mail 06-5)

1502..**MORAFF, KEN** – Director
 1553..**COTE, MEL** – Deputy Directory (acting)
 1500..**Mojica, Nancy** - human resources/facilities/budget & finance issues

Drinking Water and Municipal Assistance Branch

1571..**DOWNING, JANE** – branch chief

Drinking Water Quality & Protection Section (Mail 06-2)

1590..**DiCesare, Marie** - administrative support, tribal data tracking
 1239..**Belaval, Marcel** - hydrogeological support (groundwater), wells, modeling, radionuclides, PFAS
 1576..**Davis, Betsy** - NH coordinator, CCR rule
 1516..**Gilleland, Lynn** - VT coordinator, public notification rule, water conservation, security/emergency preparedness, Legionella
 1817..**Jacobs, Kira** - source water protection
 1592..**Kwong, Ellie** - RI coordinator., laboratory certification & QA/QC, lead & copper rules
 1683..**Lavery, Ted** - source water protection, harmful algal blooms, sole source aquifers
 1622..**Madison, Stafford** - state primacy review
 1658..**Marrese, Katie** – Regional DWSRF Coordinator, CWSRF Project Officer ME/VT, DWSRF Project Officer MA/RI/NH, STAG earmarks, SRF American Iron & Steel, Regional Clean Water Needs Survey Coordinator
 1534..**Petrakis, Sandra** – SDWIS data management
 1694..**Reilly, Kevin** - MA coordinator, microbial/disinfection-byproduct rules, sanitary surveys, security/emergency preparedness
 1559..**Sceery, Mark** - CT coordinator, SOCs/IOCs/VOCs, tribal, security/emergency preparedness
 1513..**Solomon, Gevon** - DW operator certification, WIIN lead grants
 1594..**Souza, Buddy** - SDWIS (data system)
 1681..**SPRINGBORG, DENISE** – Section Chief
 1993..**Traviglia, Andrea** -UIC, Capacity Development, Sanitary Surveys, GWR, RTCR, DBPs
 1568..**Weiss, Jeri** - emergency preparedness and health effects, managerial and financial capacity, Legionella, unregulated contaminants (UCMR)

Municipal Assistance Section (Mail 06-2)

1610..**Bourne, James** – Regional CWSRF Coordinator, CWSRF Project Officer CT/NH/MA, DWSRF Project Officer ME/VT, SRF
 Sustainable Infrastructure/Energy Efficiency, CW/DW Tribal SRF Infrastructure
 1689..**Connors, Sarah** – SRF Project Officer (DWSRF CT and CWSRF RI), Industrial Pretreatment Coordinator for RI and ME, Regional Drinking Water Needs Survey Coordinator
 1133..**Garau, Carrie** – SRF Financial Analyst, SDWIS support
 1864..**Nelson, Phyllis** – (SEE) tribal, DW, and wetlands program support
 1531..**Pimpare, Justin** – Regional Pretreatment Coordinator, wastewater security, wastewater O&M
 1547..**SPINALE, MARK** – Section chief, SRF, STAG earmarks, industrial pretreatment, Region 1 Water Team
 1591..**Schwartz, Cassie** - PPA/PPG, tribal program, industrial pretreatment program
 1544..**Silano, Michael** – PWSS Grant Project Officer, GIS/GeoSpace Mapping support
 1637..**Turgeon, Jason** – Wastewater Technical Assistance/O&M Support, State Wastewater Tech Asst/Training Liaison
 1603..**Zhou, Nancy** – SRF Financial Analyst

SURFACE WATER PROTECTION BRANCH (Mail 06-1)

1283..**WAINBERG, DANIEL** – Branch Chief (acting)
 1677..**Velez, Glenda** - administrative support

National Estuary Program and Marine Protection Section (Mail 06-1)

1536..**Brochi, Jean** – dredge material management in Long Island Sound, NH beach program, EPA diver and Chief Scientist
 1506..**Colarusso, Phil** - NEPA review/compliance, eelgrass expert, fisheries, NPDES power plants permit review, EPA diver
 1806..**Grimaldi, Alicia** - invasive species, Regional Beach program coordinator, ME & CT beach grants, Buzzards Bay NEP, Burial-at-Sea program, Mass Bay Disposal Site Industrial Waste Site expansion and restoration, GIS
 1626..**Liebman, Matthew** – ocean and coastal acidification, Casco Bay National Estuary Program, MWRA-OMSAP, Integrated Sentinel Monitoring, nitrogen, nutrients, , Gulf of Maine, , marine water quality
 1557..**LYONS, REGINA** – Section chief, Regional Ocean Dumping Coordinator, NEP Managment Committee Representative, Northeast Regional Ocean Council (NROC) and Gulf of Maine Council representative, vessel waste management/no discharge areas, NEPA review and compliance
 1676..**Nelson, Eric** - NEPA review/compliance, NPDES permits (power plants/aquaculture), essential fish habitat (EFH); EPA Unit Dive Officer, vessel and marine mammal carcass disposal
 1597..**Pryor, Margherita** – Mass Bays National Estuary Program, Southeast New England Program (SNEP), RI nonpoint source program, Regional NEP Coordination, RI beach prog. RI, Marine Water Quality, RI water planning (PPA/PPG)
 1748..**Whittle, Caitlyn** - mystic river watershed, urban waters, Narragansett Bay National Estuary Program

Watershed & Nonpoint Source Management Section (Mail 06-1)

1606..**Beck, Erik** – NH nonpoint source program, New England Environmental Finance Center, Piscataqua Region Estuaries Partnership, GRTS regional coordinator, economics, statistics
 1366 **Cody, Ray**-impervious cover disconnection, stormwater management, contract management
 1342..**Dombroski, Ian**, onsite wastewater treatment, MA nonpoint source program, LIS nitrogen strategy, the Nitrogen Sensor Challenge, Southeast New England Program, monitoring
 1211..**Dore, Bryan** – Lake Champlain Basin Program, Cape Cod 208
 1840..**Edwards, Beth** - 604(b) regional coordinator-- CT, MA, RI, NH, & VT 604(b) state grants.
 1566..**Fanciello, Sandra** –Nonpoint Source Program regional coordinator (Sec. 319), Maine Section 604(b) & nonpoint source program
 1578..**FEUERBACH, MARYJO** – Section chief, State and tribal nonpoint source programs, Lake Champlain Basin Program, Lake Champlain TMDL, Cape Cod CWA 208 program, Southeast New England Program, Long Island Sound Study, 604(b)grants, watershed mgmt.
 1646..**Harrison, Simi** – ORISE research participant, Southeast New England Program.
 1654..**Morgan, David** – ORISE research participant, Southeast New England Program
 1633..**O'Neill, Leah**- Long Island Sound, CT river watershed, nutrient monitoring and tracking
 1602..**Perkins, Eric** - VT TMDL including Lake Champlain, VT nonpoint source program, VT 303(d), agricultural BMP nutrient reduction tracking
 1672..**Simpson, Karen** – Southeast New England Program, coastal restoration, trash free waters

contract management

1679..Wright, Bessie -tribal nonpoint source management program coordinator, Long Island Sound Study

Wetlands Protection Section (Mail 06-2)

1399..Alafat, Beth - VT 404/NEPA permit review, wetland monitoring & assessment, wetland program development grants, VT state program development lead, wind projects

1549..**LECLAIR, JACKIE** – Section chief

1172..Margason, Nathan - 404 permit review, T&E species coordination, transp. project review

1556..Marsh, Mike - CT 404/NEPA review, water quality modeling technical support

1692..Reiner, Ed - MA state lead, EIS review, coastal processes, salt marsh restoration planning, dam removal, Superfund program support

1741..Sachs, Erica - wetlands ecologist, vernal pools, jurisdiction, EIS Review, RI state program lead

1620..Smith-Williams, Donna – ESTP Coordinator, DARTER, wetland grants coordinator, project officer

Water Quality Standards Section (Mail 06-2)

1629..**ABELE, RALPH** – Section Chief, WQS coordinator backup, flow & hydro

1562..Arsenault, Dan – water quality standards coordinator

1253..Blalock, Bonnie – toxicology, site specific WQS, ME coordination

1590..DiCesare, Marie - administrative support

1322..Garren, Mary - water quality, TMDLs & CT coordination, TMDLs/RCRA/Superfund

1311..Mlsna, Ivy – water quality, TMDLs, and MA coordination, T&E species, No Discharge

Zones/Areas, MA Beach Grant, climate change adaptation , Regional Ocean Partnerships (NROC and Gulf of Maine Council)

1604..Stover, Toby - water quality, TMDLs, nutrient criteria & NH coordination

1687..Winnett, Steve - water quality, TMDLs & RI coordination, CT nonpoint source program, TMDL and 303(d) listing program, water climate change, agriculture coordinator

WATER PERMITS BRANCH (Mail 06-1)

1546..Carvalho, Richard – NPDES file room

1615..**MURPHY, THELMA** – Branch Chief

1677..Velez, Glenda - administrative support, general permits, Federal Register Notices

Industrial Permits Section (Mail 06-1)

1649..Chien, Nathan - permit writer

1995..DeMeo, Sharon - permit writer, power plant permitting

1297..Gaito, Danielle - permit writer, biological permitting support

1586..**HOULIHAN, DAMIEN** – Section Chief

1989..Little, Shauna - permit writer, remediation general permit

1054..Nagle, John - biological permitting support (EFH/ESA), vessels GP

1579..Papadopoulos, George - permit writer, hydroelectric facilities, power plant permitting, pesticides GP

1545..Puleo, Shelley - NPDES applications process & public notices

1621..Tracy, Samantha- Student Trainee, permit support

1677..Velez, Glenda - administrative support, general permits, Federal Register Notices

Municipal Permits Section (Mail 06-4)

1539..Barden, Michele - permit writer, NPDES delegation

1369..Cobb Michael - permit writer, biosolids

1576..Davis, Betsy - permit writer , NH SDWA coordinator

1667..Deshais, Janet - permit writer

1533..Finegan, Meridith - permit writer, ME 303d/TMDL coordinator

1045..Johnson, Robin - permit writer, aquatic ecology, DFLOW, BASINS, GIS, SharePoint

1543..Lewis, Evan – permit writer

1608..MacLean, Doug- permit writer

1600..Vega, Marelyn - administrative support

1582..**WEITZLER, ELLEN** - Section chief

Stormwater & Construction Permits Section (Mail 06-1)

1577..Gray, David - permit writer, industrial stormwater permitting

1222..Vuto, Michelle – dewatering general permit, stormwater permitting

1677..**TEDDER, NEWTON** - Section Chief (acting) - permit writer, municipal stormwater permitting

1600..Vega, Marelyn - administrative assistant

1537..Voorhees, Mark - permit writer, water quality model expert, stormwater BMPs

1383..Warner, Suzanne - permit writer, construction stormwater permitting, non-contact cooling water general permit
